Port Moody Film Society Presents: Triangle of Sadness

Date and Time: Friday, October 11 7:30 pm - 9:00 pm

In Ruben Östlund's wickedly funny Palme d'Or winner, social hierarchy is turned upside down, revealing the tawdry relationship between power and beauty. Celebrity model couple, Carl and Yaya, are invited on a luxury cruise for the uber-rich, helmed by an unhinged boat captain (Woody Harrelson). What first appeared Instagrammable ends catastrophically, leaving the survivors stranded on a desert island and fighting for survival. Triangle of Sadness doesn't leave audiences with much to unpack thematically, but it's clear-eyed and hilarious about the systems that enforce societal inequities and what might happen if they were ever to unravel.
