## Film Night: Perfect Days

Date and Time: Friday, December 13 7:30 pm - 9:30 pm

### Presented by the Port Moody Film Society:

German master director Wim Wender's film Perfect Days the life of Hirayama, a toilet cleaner of the modern, stylish public toilets of Tokyo. Hirayama seems content with his simple life. He follows a structured everyday routine and dedicates his free time to his passion for music and books and photographing trees. More of his past is gradually revealed through a series of unexpected encounters. Perfect Days is a deeply moving and poetic reflection on finding beauty in the everyday world around us. It's a movie about the importance of little moments — and a movie that's full of such little moments, every one of which is a reward.

### Inlet Theatre Music Series - Shannon Gaye with The Kristian Alexandrov Band

Date and Time: Saturday, December 14 7:30 pm

#### Inlet Theatre Music Series presents:

Powerhouse Singer/Percussionist Shannon Gaye and Bulgarian Juno-nominated pianist Kristian Alexandrov join forces to present an evening of soulful seasonal tunes, featured on Shannon's holiday CD "Songs of Joy & Peace".

You might recognize Shannon & Kristian from their popular, high-energy show R.E.S.P.E.C.T. celebrating trail blazing women of Soul, Rhythm & Blues, which they've performed at the Inlet Theatre. This is likely to be a sell-out concert so don't wait to get your tickets.

Purchase tickets [here](#).

After many years touring across Canada as a featured artist in Tom Jackson's Huron Carole Christmas Concert Series, Shannon & Kristian recently recorded their own holiday CD - an intimate, classic album with piano and voice as the driving force. From the bluesy sass of "Merry Christmas Baby" and the gospel fervour of "Do You Hear What I Hear", to jazz-infused tunes like "The Christmas Song" - Shannon is in full command of her voice.

The hymn "Breath of Heaven" and original song "Winterlude" are perfect for a moody winter's eve, haunting and ethereal. This dynamic duo and their stellar band comprised of Jay Buetner (guitar), Gord Maxwell (bass & vocals), and Adam Cormier (drums) will take you on a festive, unforgettable musical journey.

The union of these recording artists evolved naturally over the years - Shannon and Kristian's collaborations on stage and in the studio have resulted in seven original CD's and performances across Canada, the U.S. and Europe, as well as song placements in film and TV.

#### THE BAND:

Shannon Gaye - Vocals / Percussion

Kristian Alexandrov - Keyboards / BG Vocals

Jay Buetner - Guitar  
Gord Maxwell - Bass / BG Vocals  
Adam Cormier - Drums
